

## Skatepark Rules – Example

1. Students must wear safety gear (knee and elbow pads, helmet)
2. Skate within your ability, and respect your own limits
3. Arrive on time for your session
4. Watch where you are going and take turns on the ramps
5. Respect the space of your fellow skaters, do not push or run into one another
6. Drink water and take breaks
7. Listen to and respect the instructors
8. Bicycles are not allowed on the ramps
9. No food or drinks on the ramps
10. No alcohol, illegal substances or smoking in the park
11. Students must ensure that all gear is returned to its original space.
