

Participant Questionnaire (Example) – GoodPush

Instructions:

If you choose to do the survey on paper, please use one sheet per student, circle their answers, do not write their name on the sheet.

Please read this out loud to the participant before beginning:

The purpose of this survey is to learn about the experiences of the children coming to [PROJECT NAME]. This survey is voluntary and confidential. That means that if you do not feel like answering the questions you do not have to, and if you feel like stopping part way through that is ok, you can stop at any time. It also means that your name will not be attached with your answers and only the person interviewing you will know your answers.

There are no wrong answers. Please answer the statements as truthfully as possible for you. This survey will help [PROJECT NAME] to make our activities a better experience for everyone. Thank you for your time!
